- ✓ Elongated 2 pc toilet
- ✓ White Bowl and tank
- ✓ Includes a white wood seat with MICROBAN® antimicrobial protection.
- ✓ Solid brass floor and tank bolts
- ✓ Wax ring and bolt caps

Flushes a total of **1000 Grams** of solid waste

17" bowl rim height • ADA compliant

XL footprint covers floor imperfections

Includes a white wood seat with MICROBAN® antimicrobial product protection

MICROBAN® antimicrobial product protection helps prevent the growth of stain and odor causing bacteria, so the toilet seat stays cleaner longer

Built-in MICROBAN® protection will not wash off or wear away

Dual Flush System: 1.1 gpf for liquid and 1.6 gpf for solid waste

Easy Clean coating on all vitreous china surfaces protects against bacterial growth and is easier to clean

Water Power Assisted Flush System:
Quiet and Efficient, no electricity needed. This unique, patented system uses water to compress air. The result boosts the power of the flush to remove the maximum amount of solid waste

Comes with a 10 Year Limited Warranty
